WINCOR NIXDORF OPPORTUNITY EJ	SmartComm	Utility-DDE
WINCOR NIXDORF SMART	SmartComm	Utility-DDE

Per altri ECR non in elenco, chiedere, è possibile che ci siano altri modelli compatibili in quanto cambia solo il brand.

---

<sup>1</sup> Per supporto per OPOS (OLE-POS) si intende la disponibilità ad interfacciarsi con un PC collegato ad una stampante fiscale con il sistema OPOS già installato e configurato da parte di un tecnico specializzato dell'azienda che forniscel'apparecchiatura. ArtWare non installa, ne configura il sistema OPOS.
